

# A FRICAN GOOD SAFARI LTD

IN ASSOCIATION WITH

## Ruaha Hilltop Lodge

Your gateway to the world renowned Ruaha National Park,  
Southern Tanzania.

- Transfers to the Lodge from Iringa, Dar-es-Salaam, or from airstrips inside the Ruaha Park
- Wildlife Safaris & Village Cultural Tours.
- An "En-Route" Safari, between the Lodge and Dar-es-Salaam - Visiting the Udzungwa & Mikumi National Parks, with an optional "African Farm Stay" add-on, in Tanzania's Southern Highlands

Situated in the Southern Highlands the Iringa Region is home to the pristine, remote and still virtually untouched Ruaha National Park, which, with its contiguous game reserves & buffer zones forms a vast wildlife area, home to a large population of Elephant, Cape Buffalo, Lion, Leopard, Giraffe, Hippo and many other animals including some 400 and counting, bird species.

Tanzania has vast and varied wildlife area, climate, geography, topography and scenery, and includes some 800 kilometres of tropical and unspoilt coastline, reefs and islands, such as Unguja (Zanzibar), Pemba and Mafia islands, and marine national parks, set in traditional and historical small towns and villages.

Tanzania is home to Ngorongoro Crater Conservation Area, the Serengeti, Lake Manyara National Park, Tarangire National Park, Mt Kilimanjaro, the enchanting and intriguing Udzungwa National Park in the Eastern Arc Mountain ranges, has the 3 largest lakes in Africa one of which is the source of the Nile, Katavi National Park and many other Game Reserves and National Parks

It also is the home of some 120 different tribes and ethnic groups and 100 different languages. Above all, visitors to Tanzania are always impressed by the courtesy and friendliness of Tanzanians !
